Using the materials provided, two teams must work together to build a bridge, with each sub-team constructing half the bridge each. During the challenge, teams cannot see each other and must rely on their communication skills to build an identical design. All PLTW pathways align to Common Core State Standards for Mathematics and English Language Arts and Next Generation Science Standards. Additionally, our computer science pathway aligns to Computer Science Teachers Association Standards; our engineering pathway aligns to International Technology and Engineering Educators Association Standards for Technological Literacy; and our biomedical ...
