

Download Learning To Spell Basic Sight Words

Case Wars: Upper vs. Lower Case Letters. September 27, 2016. Some of our visitors ask us why all our materials are printed in lower-case letters as opposed to upper-case letters. In addition to being taught to decode words, research suggests that students benefit from being taught to recognise the most common words in English, especially those with irregular spellings such as 'who' and 'said'. Learning to instantly recognise highly frequent and irregularly spelled words helps students to develop fluency in reading and prevents students from attempting to decode words ... The Dolch Sight Words list is the most commonly used set of sight words. Educator Dr. Edward William Dolch developed the list in the 1930s-40s by studying the most frequently occurring words in children's books of that era. What is Sight Words 1 Pro? Sight Words 1 Pro helps you to teach students who are learning to read and spell to automatically recognise and understand the 200 most common words in English.
