Sir Cyril Lodowic Burt, FBA (3 March 1883 – 10 October 1971) was an English educational psychologist and geneticist who made contributions also to statistics. He is known for his studies on the heritability of IQ. Shortly after he died, his studies of inheritance and intelligence were discredited after evidence emerged indicating he had falsified research data, inventing correlations in ...The history of the race and intelligence controversy concerns the historical development of a debate, concerning possible explanations of group differences encountered in the study of race and intelligence. Since the beginning of IQ testing around the time of World War I there have been observed differences between average scores of different population groups, but there has been no agreement ...In the 1960s, actress Diane McBain starred in such films as The Mini-Skirt Mob, Spinout, Parrish, The Caretakers, and Claudelle Inglish.
